Polly Maton - Selection for South West Squad

We have received great news, Polly Maton went training with Colin at Bath and was spotted by Job King who is the National Talent Development Officer for Athletes with Disabilities. She was encouraged to attend the South West Disability championships at Exeter the next day. Polly competed in the 100m and the 200m and she won both of them by some distance her time for the 100m in 15.7secs and the 200m in 33 secs dead. These times also mean she can compete in the National championships held in

Blackpool later this year as part of the South West squad. Well Done Polly from everyone at Team Devizes.

Membership Renewals

Please could everyone ensure that they hand in their membership renewal forms and money as soon as possible.

Apology - We would like to apologise to Emily Gray, it was wrongly printed in the original newsletter last month that she had jumped 3.37m at Yate on the 3/4/11; Emily in fact jumped 4.37m. Sorry Emily.

Chippenham Harriers V Team Devizes - 11/5/12

We were lucky enough to be invited by Chippenham Harriers to an athletics meeting. The evening was fantastic and all our athletes did superbly. Below are the results that we have been sent by Chippenham Harriers, they are complete as they are able to achieve as they had
