Filton Open Meeting

For up-to-date information
on events check out our
website

competing this season. There have been many competitions all around the country, unfortunately none of them are very local and the travelling time is sometimes longer than the competition itself. But the athletes all enjoy the experience and it gets them ready for the upcoming outdoor season, which starts in March.

Owen competed in Lee Valley back in December and managed to gain new pbs in both the 60m sprint and the 200m. Both Owen and Simon travelled up to Cardiff and ran 200m, Owen winning his race and Simon coming 2nd.

Owen and William Kennedy have just returned from the Indoor Nationals at Birmingham, where both athletes ran exceptionally well, gaining new PBs in the 200m. It was a great weekend with some exceptional talent on show. Well done boys!!

Cross Country News

The winter months are when our intrepid cross country runners brave the weather and the terrain. This winter Harry, Talia and Matty have competed in various competitions. Well done

guys for all your efforts this winter. (Hopefully we will have more news on their adventures in the next newsletter,

Notice Board

Thanks to Sam negotiations with the school, we now have a notice board. It's directly opposite the door of the gym that we register in. Please take time to check the board out; we hope to have photos of our athletes as well as lots of useful information. We are also planning on doing a 'for Sale' column for athletic wear; spikes, tracksuits etc. Please let us know if you have things for sale and keep an eye on bargains for your athletes.

ATHLETICS 365

Everyone in the 365 group has been working very hard to complete their awards. Lottie, Evelyn, Charlotte and Katie have received their green award and Lottie also received her yellow award. Well done girls.

Indoor Competition News

The indoor season has nearly come to a close and a few of our athletes have been busy
